

JADCO Testing Services

International as well as local sporting federations or associations can contract the services of the Jamaica Anti-Doping Commission (JADCO) to test athletes both in- and out-of-competition.

JADCO does two types of tests:

Urine

Blood

Testing is done based on requests made by the contracting body, in accordance with WADA's International Standard for Testing and Investigations.

For further information:

Please call (876) 929-3500, (876) 960-7466 or email technical@jadco.gov.jm

The Jamaica Anti-Doping Commission...Committed to the Fight against Doping in Sport.

The Jamaica Anti-Doping Commission offers contract testing services.
